

Bold Mathematics Leaders: Setting a Vision for Change
Advocate and Empower
Virtual Seminar 1 Agenda
 November 9, 2020

Bold leaders have clear vision.

Learning Targets:

- I can define what it means to be a bold mathematics leader.
- I can design and develop a shared vision for high quality math teaching and learning.
- I can learn about culturally relevant teaching practices to incorporate into my vision and action plan.
- I can identify the essential actions to attain the vision.
